MCGUIGAN BIN SERIES

9000 Semillon 2012

Region Hunter Valley, New South Wales

Colour Light pale green

Aroma Lovely minerality and talc notes are offset by citrus and lemon aromas. Delicate hints of rose petal ensure a beautifully floral nose.

Palate A medium bodied wine with lovely herbal characters and delicate lime flavours. A beautifully balanced wine with a soft but persistent acid finish.

Food A great accompaniment to dishes such fresh prawn cocktail or a grilled seafood platter.

Notes The McGuigan Bin Semillon is our most awarded wine. It is a perfect example of why the Hunter Valley is renowned as the premier region for Semillon in the world. This true Hunter style Semillon is a fresh light wine when young, then develops rich honey and toast characters with extended cellaring.

The 2012 growing season was extremely difficult with rain and cool conditions from start to finish. Sourced from the Bainton Vineyard at Broke, yields were low but some of the cleanest and ripest fruit in the Valley. After picking the grapes were immediately transported to our winery where they were crushed and chilled before being pressed and transferred into a stainless steel tank. The juice was clarified, inoculated with an aromatic yeast strain and fermented at between 12-14 degrees Celsius to maintain maximum fruit character. Post-fermentation, the wine was clarified, received a light fining and bottled.

Cellar Enjoy now or store carefully for the next 10+ years.

Tech Alc 11.0%

Major McGuigan Awards

International Wine & Spirit Competition, 2009, 2011, 2012
International Winemaker of the Year

International Wine Challenge, 2009, 2012
