WINES

Come on in

Mcguigan Bin series

9000 Semillon 2016

Region New South Wales

Colour Very light pale green

Aroma Lifted floral rose aromatics along with classical fresh citrus lime.

Palate A medium bodied wine with delicate citrus straw flavours. Has great line and length

Food A great accompaniment to dishes such as a fresh prawn cocktail or grilled seafood platter.

Notes The McGuigan Bin Semillon is our most awarded wine. It is a perfect example of why the Hunter Valley is renowned as the premier region for Semillon in the world. This true Hunter style Semillon is a fresh light wine when young, then develops rich honey and toast characters with extended cellaring.

The growing season was benevolent right up until January when the rain arrived. This could have been a major issue, but most of the fruit for this wine comes off 70+ year old vines which, due to the open nature of the canopy, seem to be resistant to disease pressure. Fruit was able to slowly ripen and had intense floral characters at harvest.

Cellar Suitable for current consumption or long term cellaring where it will develop into a classic toasty Hunter Style.

Tech Alc 11.0%

Major McGuigan Awards

International Wine & Spirit Competition, 2009, 2011, 2012
International Winemaker of the Year

International Wine Challenge, 2009, 2012, 2013
